WIDOWS' RELIEF ASSOCIATION—A WORTHY WOMAN.

Mrs. Ella Cannon, Founder and President of the Widows' Relief Association, Organizes a New Branch.

A large and enthusiastic body greeted Mrs. Ella Cannon, organizer and President of the Widows' Relief Association of the District of Columbia, at the residence of Mrs. Glover, 1327 Fifth Street, to organize a new branch to be known as Branch No. 1. The constitution and by-laws were read and ratified by those present.

MRS. ELLA CANNON
 Founder and District Treasurer of the Widows' Relief Association.

Then the District president set over forty members apart, after which officers were elected, the presiding officer to be known as Worthy Guide, Mrs. Mary Jackson being elected to this office.

Then all present repaired to the dining room, where a bountiful repast had been prepared by Mrs. Glover.

This association was founded by Mrs. Cannon, of Garfield, D. C., over five years ago, to assist the poor and struggling widows of her immediate neighborhood. So much good was accomplished that the association was incorporated, so other associations have been formed therefrom.

Mrs. Cannon hopes to increase the number of branches and by the latter part of the year expects to see a membership of 1,000.

REV. STEWART H. BROWN

Pastor of Ebenezer M. E. Church. Rev. Stewart H. Brown, pastor of Ebenezer M. E. Church, is one of the most successful and energetic pastors in the M. E. Conference. He has been in the ministry for twenty-three years. For three years he was pastor of John Wesley Church, Baltimore, one of the largest churches in the connection. He is a trustee of Morgan College, and a member of the examining board of the conference. He is what is called a business preacher. Since he has been at Ebenezer Church he has paid \$4,500 on the main debt of the church, besides keeping up the minor expenses, which is always in evidence. Two hundred and fifty persons have been added to the church. He is ever alert in the interest of the church, and as an orator he ranks with the best in the M. E. Church. In disposition Dr. Brown is one of the most genial persons you ever met. He is kind, obliging, and ever ready to give Christian aid. The weather is never too severe for Dr. Brown to visit the sick of all denominations, and extend the Gospel hand with prayer for the suffering.

REV. S. H. BROWN, D. D.
 Pastor of Ebenezer M. E. Church and President of Board.

He has made good wherever he has been sent, and the Bishop will do a service to Ebenezer by continuing him on as pastor of this famous church.

This conference will elect delegates to the General Conference, and Dr. Brown is a candidate. No better man in the connection could be selected than he. A strong and noble man should be selected to the General conference, and Dr. Stewart H. Brown, in every way, is the one fit for the high honor to represent his church and race in the General Conference. He was born in Maryland and was reared under the influence of good Methodist parents, entering the ministry while quite young, and has won his way to the front by hard and faithful work.

The General Conference meets in Minneapolis, Minn., in May. Dr. Brown was married to Miss Margaret Hawkins, February 7th, this year. She is well known in all Christian and benevolent societies. She is a constant visitor to the District jail, where she talks, sings and prays to the inmates of that institution.

REV. SYLVESTER L. CORROTHERS.
 Who is Leading the Revolt

What the Opposition Claims.

Editor of The Bee:

Dr. S. L. Corrothers, the leader of the movement to crystallize public sentiment among the Negroes through the country, to defeat the renomination of President Taft, and to secure the nomination of Col. Roosevelt, has met with an unusual degree of success. Dr. Corrothers sent out 380 letters to secure a straw vote from colored men of prominence as to their choice as between Taft and Roosevelt. These letters went to bishops, prominent pastors, educators and professional men in various sections of the United States; the result shows that 533 replied. Of these 519 were for Col. Roosevelt. The Negro Ministers' Association in many sections have voted their approval of Dr. Corrothers' course, and 97 per cent of the Negro newspapers of the country are out for Roosevelt as their first choice. Dr. Corrothers and his followers purpose to carry their fight against President Taft and his Southern policy to Chicago next June. If the Republican machine succeeds in nominating President Taft in spite of the protest of the Negro voters in all sections of the country, then they propose to cast the weight of the Negro vote to Speaker Champ Clark, of Missouri, or some other good Democrat. Mr. Taft's Southern policy has rendered it impossible for the self-respecting Negro to support him. This line-up on the part of the leading Negroes is to prevent the necessity of withdrawing from the party they have been identified with for the last forty-five years. Those who know Dr. Corrothers say he has the courage and aggressiveness to carry what he believes will result in the greatest good to the greatest number of his people.

TESTIMONIAL RECEPTION.

Presentation of Banner by St. John's Tabernacle, 39.

One of the largest benevolent organizations in this city is the A. L. O. of Moses. The St. John Tabernacle, No. 39, will give a testimonial and honor presentation Tuesday, April 2, at Cadet Armory, O street, between 6th and 7th streets N. W. Addresses

MR. JOSEPH J. MINOR
 Supreme Grand Master.

will be made by Mr. Wm. B. Harris, D. G. M. and G. W. O. of O. F. and Mr. W. Calvin Chase, editor of The Bee. Refreshments will be served by a committee of ladies, free. This testimonial is given in honor of Mr. Joseph J. Minor, Supreme Grand Master. This testimonial is for valuable services rendered in placing the great organization on a financial basis. This is one of the lodges Mr. Minor assisted in setting afloat. He was instrumental in establishing peace in the lodge, and today it is one of the strongest lodges in the order. Mr. Minor is a hard worker and a man who has the confidence and respect of the members and a large circle of friends. The coming testimonial will no doubt be the greatest in the history of the organization.

Don't fail to go and hear Dr. J. E. Shepard, at the Bethel Literary, March 26th.

FAIRMOUNT HEIGHTS.

This community is favored by the establishment of a bank at the District Line. This bank offers due consideration to all.

Mr. James F. Armstrong, the lay delegate to the Washington annual conference, left for the seat of the conference Wednesday, March 20. Mr. Armstrong has the honor of being the first member of the Methodist Episcopal Church organization, here; also to be the first delegate elected to represent the new church in the annual conference.

Mr. R. S. Nichols is doing effectual work at the First Presbyterian Church here. He has been elected superintendent of the Sunday school, and has outlined great things for the spring and summer.

Rev. J. M. Waldron, pastor of the Shiloh Baptist Church, preached at the First Baptist Church here March 17, at 3 o'clock. The meeting was well attended and a nice collection was taken. The good Baptists are receiving the heartiest co-operation of their Methodist and Presbyterian friends.

The newly instituted Home Builders' Lodge, No. 8928, through some of its officers, has begun laying plans for a Household to work in conjunction with the lodge. A committee of ladies, consisting of Mrs. Laura Plack, Mrs. Thos. R. Lloyd, and Mrs. G. S. Williams, has been authorized to canvass the community for eligible ladies for a club which, when properly organized, will be turned into a Household of the G. U. O. of O. F.

One of the many offices for uplift in our community, which is little known among the people, but which is noble in its inception, is a branch library that Mrs. W. S. Crouse has established for the benefit of our school children, under the auspices of the library extension work. Mrs. Crouse deserves much praise for this quiet, but effective endeavor.

Great enthusiasm is being manifested over the coming appearance of the Hon. Henry Lincoln Johnson, acting Grand Master, G. U. O. of O. F., on Easter Monday night at the Public Hall, where he is to address the citizens and members of the Home Builders' Lodge. And also over the acceptance of the Hon. W. Calvin Chase, editor of The Bee, of an invitation to appear on the program on the same evening. These two men will electrify any audience, and every man and woman within walking distance will do well to come out and hear them. A large attendance is expected from Washington. Get your tickets now from any member of the lodge, and be in line for a seat.

Amid the torrents of rain, hundreds attended the pastor's reception at the Fairmount Heights M. E. Church on Friday night last, and filled it to the doors. Both the auditorium and lecture room were beautifully decorated. The program of the evening was an intellectual display, which was inspiring to all present. The program was as follows:

Welcome Address—Mr. A. E. Briscoe.

Response, by Rev. Tyler.

Work of Pastor, Mr. Jas. A. Campbell.

Recitation, Mrs. Mary E. Campbell.

Presentation by Mr. W. A. Addison.

An address of encouragement was made by Dr. E. S. Williams, D. S. D. D., in which he commended the congregation for their excellent year's work. The occasion was enlivened by music furnished by the church choir, which received much applause. The table also furnished much attraction. It was tastefully dressed and bedecked with various mid-summer flowers, which made the guests feel that they were feasting among the flowers of May.

Among those present were Rev. E. S. Williams, D. S.; Rev. and Mrs. W. A. Howard, Rev. and Mrs. Tyler, Rev. and Mrs. Randall, Rev. and Mrs. Hart and others.

At the regular meeting of the Home Builders' Lodge last week, the members had as their guest Bros. Williams and Dorsey, two veteran Odd Fellows of the community, and they proved of great help in assisting from time to time in the business of the evening.

The Magic will not burn or injure the hair, because the comb is never heated. The steel heating bar which irons the hair, is alone, put into the flame of the alcohol or gas heater. The Aluminum Comb is easily detached from the heating bar, then, after the bar is heated the comb goes back into place and is held by a turn of the handle. The Magic Heater is also suitable for curling iron, has a cover and can be carried in a hand bag. Magic Shampoo Drier \$1.00. Magic Alcohol Heater \$0.50. Liberal terms to agents.
